LEONARD'S  
South American Fever & Ague  
**Remedy!**  
Is a Cheap, Safe and Permanent Cure,

**AND IS ALSO A PREVENTIVE**

**Bilious and Intermittent Fevers.**  
**PRICE ONE DOLLAR PER BOTTLE.**  
**T**his preparation contains no Arsenic or Mercury, and will not, like the many compounds recommended for Bilious or other Fevers, leave the system in a condition more to be dreaded than the disease. But its great merit is in its Curative Power. It is a powerful liver purifier, and is adapted to all AGES and constitutional states of the system.  
 Nearly all the acids which enter into its composition are of themselves, viz., mineral acids for the cure of Bilious and Intermittent Fevers.  
 As a preventive, it may be used by any

The following statement of the Rev. E. M. Pease, Superintendent of the Florida State Prison, is given below, in order to speak fully into the value of the property of this remedy.

Mr. G. A. LEONARD, SR.: I take pleasure in transmitting to you the following letter, in relation to a cure perfected by the use of your S. A. Fever and Ague Remedy.

fewer during the past five months, was in November last attacked, and the paroxysms were so severe as only to ever leave almost instant relief was experienced. After giving the first course of treatment, I returned, it was administered, and it paid the happy effect of interrupting the paroxysms. Since then every cessante of the disease has left him free from the disease, and he has recovered appearance and health. Truly yours, &c.

NEW YORK, Jan. 25, 1856.

W. A. LEONARD, M.D.

*Dear Sir:* Having suffered from severe attacks of Fever and Ague, I had nearly decided of finding any wine, other than champagne, use. But while laboring under a severe attack, I was directed to try your remedy, and, unlike other remedies I

have never before gone so long without having a return of the complaint, and we therefore recommend the use of Agao Remedy as a valuable one for the effectual cure of the disease.

MONT. P. PHILLIPS.

New York, Dec. 1, 1886. Cdr. Wall and Watkins.

The following Certificate of Frank L. Herlie, an Army Major, are among those peculiar cases in which a permanent cure can be effected, notwithstanding the continued exposure to tropical climates and the fact that the cure was effected, they were engaged in the Chemical Works of Messrs. Chas. Pfizer & Co. of this City.

After having been in the tropics for nearly a year, and nearly a whole month, and swallowed lots of Quinine, an acquaintance of mine recommended me to try a bottle of Agao Remedy. I called the bottle "Agao" and took it

only one day, and that was the last I saw of the fever. It was with great pleasure that I state this fact, for the benefit of all who are concerned, and will be in the same season in mastering this distressing disease, which is likely enough, if they will follow my example.

August, 1855. 44 Whipple-st., Brooklyn.

I have had the Fever and Ague for several weeks, which kept me at home, unable to work. I tried a number of prescriptions, without finding any relief. A factory boss who was a brother of the Smith American Fever and Ague Remedy, which I have used, and after some days turned myself entirely over to the medicine, and since that time, now fourteen months, and feel great

The certificates of Mr. G. A. HENDERMAN, Druggist, of Jamaica, N. Y., and those received through him, will be read with much interest, and only further confirm the reliable character of the parties, but that the medicine was used under very unfavorable circumstances, and only when other remedies failed.

Mr. G. A. LEONARD, N. Y.—*Dear Sir:* Inclosed you will find some certificates of the good effects of your medicine in this (Yankee) State. It gives satisfaction to all who use it, and has been used in the most difficult cases, and has been used often, and the sale will increase as it becomes known. I take the responsibility to warrant it. Mr. Sargent is advocate of it both in the North and the South, and his wife's sister, with like good results as when used by
